

Membership Terms and Conditions

1. **Membership:** The membership fee is for one twelve (12)-month period from the date of joining. Renewal fees are due each year on the anniversary of members' joining. SCPC extends a grace period of 30 days past the expiration date. Members are considered lapsed if renewal fees are not received within the grace period. Lapsed members will be removed from club mailing lists, social media and members-only events. They will need to reapply for membership if they have lapsed.

Membership is non-transferable, and available to those 18 years of age or older. Membership cards are to be used only by the individuals to whom they are issued, and remain the property of SCPC. SCPC also reserves the right to deny Membership to any applicant and terminate membership at its discretion.

There are many benefits to membership. Among them are discounts from our sponsors. Please be prepared to show your card when required.

2. **Mailing Lists:** Club mailing lists are used to communicate with other members on issues of photography relevance. You may use them to set up outings, sell personal photography equipment, look for a second shooter, etc. They are not to be used to promote personal business of any kind.
3. **Posting Images:** The club is comprised of many different cultures and religions. Be mindful of that when posting images to club galleries. If it's NSFW (not safe for work) then please don't post. There are many other forums available in which to display those images.
4. **Outings and Workshops:** Meetings are free and open to the public. We encourage you to bring guests to see what we are all about. Outings and workshops are for members only. Please check with the leader if you wish to bring a guest. If bringing a guest to an outing, the member is responsible to provide the leader with release form signed by the guest. Those are available on our website for download.
5. **Inland Empire Photo Club:** We have a sister relationship with Inland Empire Photo Club and we mutually extend our member benefits. You are welcome to visit their club and participate in their outings, contests, social media groups etc. Be prepared to show your membership card. Also ask for a current membership card before extending benefits.

These terms and conditions are subject to change with or without notice, from time to time at the discretion of the Board of Directors of South County Photo Club.
