### Tour Guidelines:

- ◆ Tour is limited to 10 people on a first come first served basis.
- ◆ As soon as sign up reaches the limit, we will meet and make choices and decisions.
- ◆ This tour is pretty independent; however, there are some agreed-upon meet ups and touring together.
- ◆ Total price is calculated individually, depending on the group's choices of activities for each day.
- ◆ Lodging booking is individual bookings. We can decide on which one we want to target as the main hotel for each place. Early booking is important as booking later incurs additional fees due to high season
- ◆ You might also want to participate in other tours and activities in the area given your timeframe. The area is riddled with tours and guides.
